2023 Best of Staffing

– Client Satisfaction

The team is qualified, personable, prompt and awesome! I would highly recommend That's Good HR to anyone that needs assistance with reliable staffing. I have worked with them for years and look forward to many years of partnership ahead.

- Insurance Client

That's Good HR is always personable, great listeners, and they tell it like it is - if finding the right candidate is going to be a challenge, or compensation is going to be a challenge - I'm always made aware on the front end. I also love the follow up and communication along the way.

- Accounting Client

"Working with That's Good HR was so unbelievably smooth.

Communication was quick and qualified candidates were provided within a day or two. They were available to help me talk through a final selection, which was valuable as a small business owner. We don't normally have another experienced ear to consult with on hiring. It was a so much better experience than I had ever imagined. I WILL highly recommend them to others.

They get it done!"

- Architecture/Design Client

The That's Good HR team is very easy to work with, and there is a quick response rate. I feel comfortable knowing I can get needed information quickly. I also feel that they provide a diverse pool of candidates for interview when finding temp workers. While I have had success stories and also candidates that did not end up with our team, the TGHR team was always accommodating, courteous, and supportive.

- Senior Services Client

The best personalized support! - Legal Client

A great resource and partner! We recently needed some short-term help in a very immediate fashion and That's Good HR got to work and found us a solution. They are trustworthy and genuine and I enjoy working with them!

- Medical Equipment Manufacturer

The team at That's Good HR has always done a fantastic job at the intake session, thus bringing to the table excellent candidates for the business need. I have a great appreciation for recruiters who do the work on the front end so that I actually have a difficult time choosing the best candidate. Thank you for supporting us this year and giving us such a phenomenal candidate!

- Banking Client

That's Good HR is always a pleasure to work with! They really listen to your wants/needs and provide top-notch, quality candidates. We have hired many long-term employees through them. In fact, they helped place me in my current position ten years ago! Whether you are seeking employment or looking to fill your staffing needs, I would highly recommend them.

- Healthcare Client

Found top notch candidates at reasonable rates, which is not easy to do in today's job market.
