Scan this code to submit your job order.

We're on it.

Our recruiters immediately comb through our candidate pool to find people whose **skills and experience match your needs**. Within 24 to 48 hours, we send you a comprehensive list of candidates and resumes for your review.

Back to you.

You tell us who you want to interview. We'll schedule the interviews for the same day or as soon as you're available. Afterwards, you tell us **which candidate you want to hire**. Or, your feedback helps us refine the search so we can send a revised list of candidates. You're in charge. We'll move as quickly as we can, based on your timely feedback.

We finalize the match.

We make an offer to the candidate. After the offer is accepted by the candidate, we **complete all onboarding tasks** and **facilitate their start date**.

What can employers do to **streamline the process?**

We want to fill the position as much as you do! You can quicken the hiring process by providing valuable feedback:

- Let us know what you think of the resumes we submit for your review. If none of them stand out to you, we will use your feedback to send an updated list.
- Give us feedback after the interview. This feedback allows us to reach out to promising candidates and make offers as soon as possible. You don't want to miss out on a great employee in today's competitive hiring market!

That's Good HR can give you the inside scoop on hiring.

We understand. Sometimes it is challenging to fill a position. You may be wondering why you can't find a qualified candidate who is ready to work for you. **We'll give you feedback** on what's exciting – and what is challenging – about your open position. We'll work with you find the perfect candidate for the job because **the match matters.**

"That's Good HR is always a pleasure to work with! They really listen to your wants/needs and provide top-notch, quality candidates. We have hired many long-term employees through them."
